

## Employee of the Month

Regina B.

Regina B.

Regina B. has been with Seniors In Place for just a short time. When you read the letter below you will understand why she is our "Employee of the Month." The letter speaks for itself and I am sure you will agree that Regina is quite a special person. We are very proud to have Regina as part of our family. Congratulations Regina!!!

### Testimonial

Dear Chad and Staff,  
Our family wants to thank you so much for placing Regina with our Dad and Husband, Warren "Buzz" E. at his assisted living facility in Florham Park.

Regina took excellent care of Buzz from the minute she met him through his last hours. She blessed him with her wonderful, dedicated compassionate care and he really enjoyed your presence. She kept an ear open for his needs, even during the night. If they both happened to awake during the night, they'd talk and he'd enjoy telling us about it the next day.

Our family was grateful to know he had someone so wonderful with him around the clock. She went to the main kitchen to get beverages, grilled cheese or ice cream that he desired. She kept my mom, sister, and I informed of how he was and any changes; if we wanted to talk with him from home, we could text her to see if he was awake and we could call and she'd make sure he had his phone handy.

She understood our family's wishes and protections for Dad regarding hospice, discontinuing forced physical therapy sessions and swallowing pills that had become difficult for him. She helped monitor those things, and also limit the number of visitors he had at one time, and with our family's guidance, knew which visitors could cause dad increased stress.

Regina is a wonderful, trustworthy caregiver, and we'd recommend her to anyone who needs a caregiver. Regina was a delight to talk with, and also learn from, as she oversaw Dad's needs. We can only imagine how hard it must be to care for people in the last days, say goodbye, and then do it again and again. She is one of your exceptional employees!

Chad, you also made yourself available to our family from the beginning through dad's passing; we are all very grateful for your compassionate support, and going above and beyond, even re: assisted living staff issues with hospice which were not even your responsibility.

With sincere thanks and May God bless you all and your business,

Sue F. and Family

## A Message From the President

This month's message is a tribute to fathers and to all the male figures in your life that have had a profound influence on you.

Close your eyes and clear your mind. Think about the male figures who have been there for you, encouraged you and given you good advice at times when you were unsure of yourself. Think about the men who have loved you unconditionally. As I think about the men in my life who have helped me and guided me and made a difference, I am so thankful for them. Take time to think about the fathers, brothers, uncles, cousins and friends who may have given you a word of encouragement, valuable advice, or sometimes even criticism. I promise you that it will make you feel very appreciative.

Have a great June!

Happy Father's (Special Man in Your Life) Day!

*Richard*
